# MARKET LEADER OF TRUSTED CLADDING BRANDS

## AUSTRALIAN-OWNED

As a strong and successful business with a history dating back more than 50 years, HVG Facades is a dedicated facade products supplier of trusted brands including MondoClad®, ZINTL®, Nucleo® and ALUCOBOND® PLUS.

HVG Facades product warranties give you long-term peace of mind and our quality service is just a phone call away.

We stand behind our products and the quality underpinning them, our service, and our people.

HVG Facades' products are used across a diverse range of exterior cladding for new builds, or remedial and recladding applications. Our highly experienced team are there to support the ideas and aspirations of architects, property developers, designers, and builders at every stage of the process.

---

HVG's customer-focused experts cover it all.
